BENEFIT COMMITTEE FORMED

Last November William F. Hubbard of Mattapoisett Neck Road, a part time patrolman in the Police Department, was pinned between two cars while on parking duty at the Cathay Temple on Route 6.

A Boston driver told police his foot slipped from the brake to the gas pedal and the upper part of Hubbard's right leg was crushed between that car and a parked vehicle.

The 25-year old father of two young children undewent surgery three times to help the compound fracture heal. Several weeks

ago Bill Hubbard returned to St. Luke's Hospital. But the cast he has worn for nine months was not going to be removed for good.

Doctors discovered the leg had not healed properly. It was reset. Bill Hubbard is still in a cast and will be for several more months.

Now, organizations in Mattapoisett have banded together to aid the Hubbard family by establishing the Bill Hubbard Benefit.

A committee made up of members of more than half a dozen town organizations is planning a November dance, with prizes, proceeds to go to the Hubbards.

In addition, several of the organizations are planning to run benefit events on their own to swell the fund.

At an organizational meeting of the committee, Robert A. Silveira of the Mattapoisett Police Association was elected president. Named treasurer was William F. Keane of Father Damien Council, Knights of Columbus. Secretary and publicity chairman is Bradford A. Hathaway. He will be assisted by Anthony Roderick and Allen L. Sherman, both representing the Couples Club of Mattapoisett Congregational Church.

Dear friends,
Two little girls stopped at the curb. They looked both ways before crossing the street. We just witnessed this occurrence and it shows that these little girls have been coached by someone, probably parents and teachers, to be careful about traffic.
Now if we can coach drivers to be just as careful, our safety problems would be largely solved.
Respectfully,
Carl C Cornwell
